```
// sessionStorage
sessionStorage.setItem("name", "Robert");
alert(sessionStorage.getItem("name")); // Robert
```

```
// localStorage
localStorage.setItem("origin", "Sweden");
alert(localStorage.getItem("origin")); // Sweden
```

```
// Remove an item  
localStorage.removeItem("Name");
```

```
// Iterating over keys
for (var i=0, il=localStorage.length; i<il; i++) {
  console.log(
    localStorage.key(i) + " = " +
    localStorage.getItem(localStorage.key(i))
  );
}
```

```
// Clear items  
localStorage.clear();
```

```
// Using JSON
var info = {
    "language" : "German",
    "location" : "Berlin"
};

// Save as string
localStorage.setItem("info", JSON.stringify(info));

// Load as JSON object
alert(JSON.parse(localStorage.info));
```
